ABOUT THE U.S. LAWYER RANKINGS

United States Lawyer Rankings, the definitive guide to legal excellence in the U.S., was established in order to identify the Nation's Top 10 lawyers in each of 12 different practice areas. Lawyers are nominated by corporate general counsels, judges, and fellow practitioners, however, a lawyer cannot self-nominate, and a law firm is prohibited from nominating their own lawyers. In determining the ratings, the United States Lawyer Rankings examines general legal abilities and knowledge, oral advocacy skills, negotiating skills and the ability to develop creative solutions.
